

## Ideation Phase

### Define the Problem Statements

Date	31 January 2025
Team ID	LTVIP2026TMIDS81727
Project Name	Gemini historical artifact description
Maximum Marks	2 Marks

#### Problem Statement (PS)

##### Problem Statement-1

I am a student or history learner

I'm trying to understand historical artifacts in a clear and engaging way

But I often find long academic texts that are difficult to read and understand

Because most resources are written in complex language or lack structured storytelling

Which makes me feel confused, overwhelmed, and less interested in learning history

---

##### Problem Statement-2

I am a museum visitor or curious learner

I'm trying to quickly learn about the significance of an artifact

But I cannot find interactive or personalized explanations

Because traditional sources provide static, generic descriptions

Which makes me feel disengaged and less connected to historical knowledge

#### Example:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	History Learner	understand historical artifacts	difficult to read and understand	lack structured storytelling	overwhelmed, in learning history
PS-2	curious learner	Learn Significance of an artifact	I cannot find interactive or personalized explanations	traditional sources provide static, generic descriptions	disengaged and less connected to historical knowledge
